

Your Telecom Contracting Solution

United Telecom Services, Inc. (UTS, Inc.) is a Minority Women Owned Business (MWBE) with corporate head quarters based in central Florida and our sales office based in Dallas, Texas.

We provide telecommunication services and equipment to other telecom companies and resellers both large and small, in the United States as well as other countries. Some of our larger customer base consists of Windstream (Alltel), TDS, Frontier Citizens and large IOC groups.

UTS is pleased to announce our partnership with Adtran and can provide you with a full compliment of Adtran cards and equipment.

We want to be your first choice in central office telecommunication services and equipment.
